The 6th Academic Congress Of International Chinese Neurosurgical Sciences

Website: http://icfns.cnming.com

First announcement

May 30th, 2014-June 1st, 2014

Venue: Nanjing, Jiangsu Province

Organizers

The International Chinese Federation of Neurosurgical Sciences
Beijing Neurosurgical Institute
Beijing Wang Chungcheng Medical Foundation

Host

Jiangsu Medical Association
Neurosurgical Departent of The first affiliated hospital with Nanjing Medical University(Jiangsu Province Hospital)

Letter Of Invitation From The President

Dear colleague,

International Chinese Federation of Neurosurgical Sciences was founded on 2002 which was launched by wise neurosurgeon, Academician of Chinese Engineering Academy- Chungcheng Wang. Since 2004, the Academic Congress of International Chinese Neurosurgical Sciences will be held every two years. It created an academic communication in the neurosurgical theory and technique. It has been successfully held 5 sessions in Boao, Chongqing, Guangzhou, Chengdu, and Tainan. It has been recognized as the highest level of academic event in Chinese neurosurgical scholars from all over the world. In order to encourage solidification among the Chinese neurosurgical scholars and make great progress in the world and internal neurosurgical society, International Chinese Federation of Neurosurgical Sciences decide that the 4th Academic Congress of International Chinese Neurosurgical Sciences will be held in Nanjing on May, 2014.

On the occasion, there were many scholars coming from all over the world. It provided a good chance to enhance friendships and increase understanding among the attendants in basic theory, clinical treatment, relative technique and instrument.

As the sponsor and organizer of this conference, I am very honoured and delighted to represent the International Chinese Federation of Neurosurgical Sciences and the organizing committee of this conference to welcome you and your colleagues to participate in this conference. At that time we will invite very famous neurosurgical domestic and foreign specialists to give the excellent presentations.

Finally, the scenery of Nanjing is attractive in May and June. We will offer you comfortable condition for your learning and communication. The 6th Academic Congress of International Chinese Neurosurgical Sciences welcomes your visit.

Yadu Zhao, M.D.

President of the International Chinese Federation of Neurosurgical Sciences

Ning Liu, M.D.

The committee chairman of the 6th Academic Congress of International Chinese Neurosurgical Sciences

Organization

Founder of ICFNS: Chungcheng Wang (Academician)

Honorary Presidents

Yu-Quan Shi Liang-Fu Zhou Ming-Jian Gao Tong-Jin Tu

Scientific Program

Lecture of Special Subject

The basic and clinical research on head trauma
The progress of basic and clinical research on gliomas
The surgical treatment on tumor of skull base
The treatment progress of congenital diseases（malformations）
The treatment progress of pediatric neurosurgical diseases
The treatment progress of spinal cord diseases
The progress of diagnosis and treatment on vascular diseases of brain and spinal cord
The diagnosis and treatment on pain
The treatment progress of epilepsy
The stereotactic and functional neurosurgery
The stereotactic radiosurgery
The technique of neuroendoscopy
The technique of interventional neurosurgery
The progress and clinical use of imaging of nervous system
The progress of translational medicine
The progress of neurosurgical nursing care
The progress of basic research of neurosurgery

Call for Abstracts

Deadline for submission： March 15th, 2014

The organizing committee will make the final decisions about the selection and place.

About the abstracts:

All the article and summaries on the basic research, clinical treatment and diagnosis involved in the neurosurgery haven’t been published are required. It would not exceed 1000 words for Chinese abstract (including four parts: objective, method, result and conclusion).

The abstract should be printed by size 5 Song character and saved by WORD or WPS software. Please send using following methods.

1. Online (Recommend): http://icfns.cnming.com
2. E-mail: master@icfns.com

- The excellent papers will be chosen by the specialist of the committee and outstanding paper will be awarded on the closing ceremony.
- The congress will set up the young neurosurgeon forum. The participants will be selected about 10 to15 as excellent young neurosurgeons by specialist and will be awarded.
- The second announcement will sent out at the end of this year.
- The formal invitation will be sent by the deadline of the abstract submission.
