

SCIENTIFIC DIALOGUE

THE 14TH LECTURES AND HANDS-ON CADAVER DISSECTION COURSE FOR CEREBROVASCULAR MICRONEUROSURGERY

Taiwan, April 5th – 8th, 2019

National Yang Ming University - Taipei Veterans General Hospital

The professor, Sanford PC Hsu, M.D., founded "The Lectures and Hands-on Cadaver Dissection Course for Cerebrovascular Microneurosurgery" in 2004 after joining Advanced Cerebrovascular Course developed and instructed by Ali F. Krisht, M.D. at St. Louis, USA. Dr. Ali F. Krisht perfectly delivered and demonstrated the concepts and techniques in microneurosurgery from Professor M. Gazi Yasargil, who has been honored as the "Neurosurgery's Man of the Century, 1950-1999".

Shortly after Dr. Ali F. Krisht was invited to Taiwan for a speech on March 2005, Dr. Sanford PC Hsu proposed to Dr. Ali F. Krisht to develop the very same "Advanced Cerebrovascular Course" in Taiwan. By transferring successful factors and experiences from the course in St. Louis, Dr. Sanford PC Hsu is confident that local and international neurosurgical professionals will obtain valuable knowledge and further strengthen their skills through direct hands-on experiences with latest techniques and the state-of-the-art equipment in neurosurgery.

Since the first event held in National Yang-Ming University, Taiwan on November 2005, Dr. Sanford PC Hsu have accumulated numerous positive feedbacks and experiences. The "Advanced Cerebrovascular course" in Taiwan has become one of the most recommended and well acknowledged courses by both local and international neurosurgical professionals over the past 14 years. Dr. Sanford PC Hsu is confident that with the guidance and experiences delivered from Dr. Ali F. Krisht along with all distinguished key opinion leaders invited to this event, the course will definitely and continuously lead us to achieving an even broader spectrum of innovative thinking and knowledge sharing in Neurosurgery.

"We are always striving for the best. By integrating additional resources from other collaborators and business partners, we aim to promote this event to the world and we hope this event can eventually be the "must-attend" international course in Taiwan."

- *Sanford PC Hsu, M.D.*

PROGRAM

Day 1 – Friday, April 5, 2019

| | | |
|-------------|--|------------------|
| 07:45–08:00 | Welcome | Sanford PC. Hsu |
| 08:00–08:45 | Basics of Microneurosurgery | Juha Hernesniemi |
| 08:45–09:15 | Pterional Approach and Opening the Sylvian Fissure | Ali F. Krisht |
| 09:15–09:45 | Cadaver Demonstration | Ali F. Krisht |
| 09:45–10:00 | Coffee Break | |
| 10:00–12:00 | Cadaver Dissection by Participants | |
| 12:00–12:45 | Lunch (Provided) | |
| 12:45–13:45 | Parasellar and Cavernous Sinus Anatomy | Ali F. krisht |
| 13:45–14:45 | Aneurysm Clipping on Aboud's Model Cadaver Dissection by Participants (con't) | Emad T. About |
| 14:45–15:00 | Coffee Break | |
| 15:00–16:00 | Anterior Cerebral Aneurysms | Juha Hernesniemi |
| 16:00–17:30 | 2D or 3D Case Discussions on MCA, A-com and Internal Carotid Artery Aneurysms | All Faculty |
| 17:30 | Adjourn | |
| 18:00 | Special Event Dinner | |

Day 2 – Saturday, April 6, 2019

| | | |
|-------------|--|-----------------|
| 08:00-08:30 | Pretemporal Approach to Paraclinoid Aneurysms | Ali F. Krisht |
| 08:30-09:00 | Variations of Paraclinoid Aneurysms and Its Surgical Strategies | Ali F. Krisht |
| 09:00-10:00 | Pretemporal Approach to Paraclinoid Aneurysms (Cadaver Demonstration) | Ali F. Krisht |
| 10:00-10:15 | Coffee Break | |
| 10:15-12:15 | Aneurysm Clipping on Aboud's Model Cadaver Dissection by Participants (con't) | Emad T. About |
| 12:15-13:00 | Lunch (Provided) | |
| 13:00-14:00 | Transcavernous Approach to Basilar Apex Aneurysms (Cadaver Demonstration) | Ali F. Krisht |
| 14:00-15:45 | Aneurysm Clipping on Aboud's Model Cadaver Dissection by Participants (con't) | Emad T. About |
| 15:45-16:00 | Coffee Break | |
| 16:00-16:30 | Strategies of Paraclinoid Aneurysm Surgery | Sanford PC. Hsu |
| 16:30-18:00 | 2D or 3D Case Discussions on Paraclinoid and BA Aneurysms | All Faculty |
| 18:00 | Adjourn | |

Day 3 – Sunday, April 7, 2019

| | | |
|-------------|---|----------------|
| 08:00–08:30 | Coiling versus Clipping | Hongqi Zhang |
| 08:30–09:00 | Surgical Strategies of PICA Aneurysms | Ali F. Krisht |
| 09:00–10:00 | Far Lateral and Transcondylar Approaches to PICA and VBJ Aneurysms(Cadaver Demonstration) | Ali F. Krisht |
| 10:00–10:15 | Coffee Break | |
| 10:15–12:00 | Aneurysm Clipping on Aboud's Model Cadaver Dissection by Participants (con't) | Emad T. About |
| 12:00–12:30 | Lunch (Provided) | |
| 12:30–13:15 | PICA Aneurysm Surgery | Wei Zhu |
| 13:15–14:00 | Cavernous Sinus Vascular Lesion Surgery | Ali F. Krisht |
| 14:00–15:30 | Aneurysm Clipping on Aboud's Model Cadaver Dissection by Participants (con't) | Emad T. About |
| 15:30–15:45 | Coffee Break | |
| 15:45–16:45 | Complexed or Giant Aneurysms | Ali. F. Krisht |
| 16:45–18:30 | 2D or 3D Case Discussions on Posterior Circulation and AVMs | All Faculty |
| 18:30 | Overview and Course Closure | |

Day 4 – Monday, April 8, 2019

Possible Basilar Apex or Paraclinoid Aneurysm
Live Surgery Arranged

SPEAKERS

COURSE DIRECTOR:

Ali F. Krisht, MD
Professor and Director
Arkansas Neuroscience Institute, St. Vincent Hospital
Little Rock, Arkansas
USA

COURSE CO-DIRECTOR:

Sanford PC. Hsu, MD
Director
Neuro-oncology, Cerebrovascular and Skull Base
Department of Neurosurgery, Neurological Institute
National Yang-Ming University
Taipei Veterans General Hospital

FACULTY

Emad T. Aboud, MD
Director
Microsurgery Laboratory
Arkansas Neuroscience Institute, St. Vincent Hospital
Little Rock, USA

Hongqi Zhang, MD
Chairman
Department of Neurosurgery
Xuan Wu Hospital – Capital Medical University
Beijing, China

Wei Zhu, MD.
Professor
Department of Neurosurgery
Huashan Hospital – Fudan University
Shanghai, China

Juha Hernesniemi, MD
Professor Emeritus
Department of Neurosurgery – Helsinki University Hospital
Helsinki, Finland

INFORMATION

TIME & PLACE

April 5-8, 2019

National Yang-Ming University, School of Medicine,
Institute of Anatomy and Cell Biology, Department of Anatomy,
2nd floor, Building of Experiments,
155, Sec. 2, Li-Nong Street, Peitou, Taipei, Taiwan

COURSE FEE

Not Including Accommodation

2,200 USD (TWD 66,000) before February 22 2019

2,600 USD (TWD 78,000) after February 22, 2019

The course fee covers course documentation, lectures, cadaver dissections and meals during the course.

Due to limited seats, registration is on a first-come-first-served basis and is subject to availability of places. Early registration is highly recommended.

The registration will be reserved for one week after we receive your registration form via email or fax. Beyond that period the reservation will be cancelled if we do not receive any payment.

A confirmation of registration will be sent to you, please confirm your acceptance before making full payment. If you do not receive any confirmation of registration prior to your departure, please contact Skull Base Lab, Taipei Veterans General Hospital or the Aesculap Academy.

The Skull Base Lab at Taipei Veterans General Hospital, Taiwan Epilepsy Society and Aesculap Academy are not responsible for expenses incurred by individuals who are not confirmed and paid-in-full.

BANK INFORMATION

■ Method of Payment: Wire Transfer

Name: Taiwan Cooperative Bank International Department

Address: 3rd Fl., 325, Jhongsiao E. Road, Sec. 4, Taipei, Taiwan

SWIFT code: TACBTWTP

Account Holder: Taiwan Epilepsy Society 台灣癲癇醫學會

Account Number: 1427765463588

台灣轉帳合庫代碼 006

郵局劃撥帳號 18678865

CANCELLATION POLICY

Cancellation received by March 8, 2019 will be refunded in full; those received after that date are subject to a 900 USD administrative fee. No refunds will be issued for cancellation received after March 22, 2019. In the event the conference is cancelled, the tuition fee and flight transfer fee (original receipt required) are reimbursable.

PLEASE NOTE

If you DO NOT receive confirmation of registration prior to your departure, please contact Skull Base Lab, Taipei Veterans General Hospital. Registration cannot be processed until full payment is received. The Skull Base Lab is not responsible for expenses incurred by individuals who are not confirmed and paid-in-full.

HOTEL RESERVATION

Mellow Fields Hotel

127, Sec. 7, Zhongshan N. Rd., Shilin Dist., Taipei City 111, Taiwan

Rate: Appx. TWD 2,700 / Night (Incl. VAT), breakfast included.

For more options on hotel, please contact the Aesculap Academy Taiwan

TRANSPORTATION

Transfers between workshop venue and hotel will be organized by Aesculap Academy for participants staying in the official hotel above.
