

INFORMATIO

COURSE FEE

1,500.00 USD (45,000 NTD) before March 15, 2020
1,800.00 USD (54,000 NTD) after March 15, 2020

including the course documentation, lectures, cadaver dissections and food & beverages during the course.

Due to limited places, registration is on a first-come-first-served basis and is subject to availability of places. Early registration is highly recommended.

The registration will be preserved for one week after we receive your registration form via email or fax. Beyond that period the preservation will be cancelled if we do not receive the payment.

Please confirm your acceptance of registration before the full payment is made. If you have not received confirmation of registration prior to your departure, please contact Skull Base Lab, Taipei Veterans General Hospital or Aesculap Academy.

The Skull Base Lab at Taipei Veterans General Hospital, Taiwan Epilepsy Society and Aesculap Academy are not responsible for expenses incurred by individuals who are not confirmed and paid-in-full.

ROSMARIE FRICK THE 12th MICROSURGICAL ANASTOMOSIS COURSE

National Yang Ming University – Taipei Veterans
General Hospital

01 - 04 May 2020 | Taipei, Taiwan

Endorsed by

Dear Colleagues,
On behalf of the course directors, the faculty and the Aesculap Academy, I would like to invite you to come to Taipei, Taiwan to participate in our unique course about Microsurgical Anastomosis.
Descending from the pioneer of cerebral revascularization, Professor M. Gazi Yasargil, Rosmarie Frick carries the tradition of hard work and rigid basic training. Participants will learn the most important details about microanastomosis that would not be taught elsewhere. Individualized tutoring and experience sharing make it possible to familiarize yourself with anastomosis techniques.
There is a lot to do. Let's start from now on!
